Caltrans

Partnering Success in Motion Award

Application

August 2008 version

<http://www.dot.ca.gov/hq/construc/partnering.html>

Background

The Caltrans Project Partnering Awards program includes an annual recognition of projects that best optimize the principles of partnering.

This “Partnering Success in Motion Award” recognizes on-going projects within each district, whereas the “Excellence in Partnering Award” recognizes completed partnered contracts statewide.

The main purpose is to celebrate success, share lessons learned of best practices, and honor all contract stakeholders. Additionally, the “Partnering Success in Motion Award” recognizes teams while they are still working together.

Eligibility

Partnered contracts still on-going as of September 30, 2008.

A project may be nominated for an annual Partnering Success in Motion Award each year prior to contract completion.

Recognition Levels

I.	Nominee	(0 – 74 points)
II.	Bronze	(75 – 79 points)
III.	Silver	(80 – 89 points)
IV.	Gold	(90 – 100+ points)

Criteria

Caltrans Partnering Success in Motion Awards are judged on both objective and subjective criteria. Applications will be scored by a team composed of Caltrans construction and industry supervisors and/or managers.

Directions

1. Applications must be **TYPED** and completed fully. Fill out a separate application for each contract nominated.
 2. **The text for all sections (I through VI) may have a combined total of no more than 2000 words.** The word count is to be filled in for each section as requested and the combined total supplied in the Total Word Count space. The “word count” feature in Microsoft Word (under the tools menu) may be used to count words. **Applications will be rejected if they exceed the 2,000-word count maximum.** It is preferable that your input text be in color, such as blue or red. The word count limit applies only to the text you have added and NOT the existing application form text.
 3. A maximum of five additional supporting pages (8 1/2 inches by 11 inches, **one side only**) beyond the specifically requested items may be attached to the application. Supporting pages can include text, photographs, charts, graphs or appropriate tables to highlight results. More than **five** additional pages will **NOT** be accepted. Entries become the property of Caltrans Division of Construction, and will not be returned. (The Partnering Charter, Dispute Resolution Ladder, and any other specifically requested items within this application are not counted.)
 4. An electronic version of this application is available for applicants; however, **nominations must be submitted in a hard copy (six copies per entry)**. Applicants are encouraged to retain the computer files for future use.
 5. A total of **six typed color copies** of each entry (application plus attachments) must be submitted directly to the Caltrans Deputy District Director of Construction Office in your area.
 - Mail via U.S. Mail postmarked on or before **October 15, 2008** or
 - Hand deliver to District Construction Office on or before **5:00 p.m. on October 15, 2008** (must be received and date stamped by District Construction Office).
- No other form of delivery will be accepted (fax, internal mail, e-mail, etc.).**
6. In order to give all contract applications the same opportunity, applications that do not follow the above rules and format, or are received after the deadline, will not be considered for awards.

Note: The judges look carefully at the responses to questions. Direct, pointed answers to questions without rhetoric are desired. Supporting facts and documents are very helpful. Please do not leave out requested information as it affects the overall score. To help the judges give you maximum credit, please reference any related attachments in each response and label each attachment with the question(s)/section(s) it supports.
